

All,

Just a quick note to tell you that this week's MEDCOM Training Symposium went very well and to wish you a happy 4th of July. We in the Corps Chief's Office wish you great weather, fun with family, and most of all a safe holiday. Take care of yourselves and truly be safe. You are all important parts of our Army Medicine Team. Expect the next full Corps Chief's Message to be out in next few weeks. Take care.
